

# NATCO Introductory Course for the NEW Transplant Professional

The program you know and trust is now available online, on demand!

## Customizable Program includes:

### ❖ Core Curriculum (required)

- ✓ Transplant Evaluation and Waitlist Management
- ✓ Pre-Transplant Infectious Disease
- ✓ Post-Transplant Infectious Disease
- ✓ Immunology and Histocompatibility Part I
- ✓ Immunology and Histocompatibility Part II
- ✓ Pharmacology
- ✓ Regulatory Impact on Transplantation
- ✓ Skin Cancer and Transplantation

### ❖ Electives (select up to two modules)

- ✓ Heart Transplantation
- ✓ Lung Transplantation
- ✓ Kidney Transplantation
- ✓ Liver Transplantation
- ✓ Pancreas Transplantation
- ✓ Pediatric Transplantation

Each module consists of education content followed by a quiz to test the participant's knowledge of the subject matter. Customize the course by selecting the electives appropriate to each participant's specialty. Links to additional free educational resources on subjects such as living donation, ethics, organ allocation, and policy will be made available to each participant.

## A Complete Learning Experience

- ❖ Faculty assistance will be available via an *Ask the Expert* dashboard.
- ❖ Participants will have the opportunity to communicate with other coordinators who are taking the course, via the peer communication platform, *NATCO Connect*.
- ❖ Documents will be available through an easily accessible Resource Library.

Plan for FY2019

Pre-registration is available.

Sign up now, start the course in  
FY2019!

## Registration Fees (per participant):

	Member	Non-Member
Complete Course	\$675	\$875

Detailed syllabus can be found on NATCO website. Entire course will be available for a period of 6 months. After 6 months, participant must re-register to obtain access. Course fees include 10 modules, examinations, online study materials, and access to *Ask the Expert* dashboards. Access to *NATCO Connect* is only available for NATCO members. NATCO memberships are available separately at [www.natco1.org](http://www.natco1.org).

CEPTC credits available upon successful completion of course. This activity has been submitted to the Ohio Nurses Association (OBN-001-91) for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**Trusted provider of comprehensive  
transplant training for over 18 years!**
